WAIVING A REQUIREMENT OF CLAUSE 6(a) OF RULE XIII WITH RESPECT TO SAME DAY CONSIDERATION OF CERTAIN RESOLUTIONS REPORTED BY THE COMMITTEE ON RULES

Mr. REYNOLDS. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 488 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 488

*Resolved*, That the requirement of clause 6(a) of rule XIII for a two-thirds vote to consider a report from the Committee on Rules on the same day it is presented to the House is waived with respect to any resolution reported on the legislative day of May 4, 2000, providing for consideration or disposition of a conference report to accompany the bill (H.R. 434) to authorize a new trade and investment policy for sub-Saharan Africa, or any amendment reported in disagreement from a conference thereon.

The SPEAKER pro tempore. The gentleman from New York (Mr. REYNOLDS) is recognized for 1 hour.

Mr. REYNOLDS. Mr. Speaker, I yield myself such time as I may consume.

(Mr. REYNOLDS asked and was given permission to revise and extend his remarks, and include extraneous material.)

Mr. REYNOLDS. Mr. Speaker, for purposes of debate only, I yield the customary 30 minutes to the gentleman from Massachusetts (Mr. MOAKLEY), pending which I yield myself such time as I may consume. All time yielded is for the purpose of debate only.

Mr. Speaker, this rule waives the provisions of clause 6(a) of rule 13, requiring a two-thirds vote to consider a rule on the same day it is reported from the Committee on Rules, against resolutions reported from the Committee on Rules.

Additionally, the rule applies the waiver of a special rule reported on or before May 4, 2000, providing for consideration or disposition of a conference report to accompany the bill, H.R. 434, to authorize a new trade and investment policy for sub-Saharan Africa, or any amendment reported in disagreement from a conference thereon.

Mr. Speaker, this is a straightforward rule to allow the House to move forward with consideration of the conference report on H.R. 434.

This measure contains no surprises and was crafted with full consultation with the minority and the appropriate chairman and ranking members of the committees involved. This procedure actually provided the committees more of an opportunity to complete important provisions in the underlying legislation by allowing them to finish their work this morning.

Mr. Speaker, both sides of the aisle would like to complete this legislation today, and we have worked closely with all parties involved to do just that.

By passing this rule today, we will allow the House to complete this very
